VOLUME LXXV — THE TIMES-GAZETTE, REDWOOD CITY, CALIFORNIA, FRIDAY EVENING, SEPT. 26, 1947 — 4 PAGES

City Studies Annexation Of Two Outlying Sections

City officials are taking steps which may lead to the annexation of two additional areas to Redwood City.

One of the areas is Kensington Square. One part of this area is bounded by the Alameda, de las Pulgas, the westerly city limits and the rear lot lines of a series of plots facing Jefferson Ave. The other part of this area lies between Jefferson and an extension of the Vera Ave. line, lying westerly of present city limits and bounded on the west by Jefferson and the rear line of lots which face the west side of Crompton Rd.

The other area is Friendly Acres. It is bounded by Second Ave., Marsh Rd., Bayshore Hwy. and Bay Rd.

Kensington Square property owners started circulating a petition 21 days after the date they published a notice announcing their intention to make such a move. The delay is called for by California annexation laws.

Should 25 per cent of the registered voters in the area approve annexation, the petition can be brought before the city council. Council then passes a resolution acknowledging the petition and slates a hearing.

At the hearing, owners of 50 per cent of the property in the area can balk the move by protesting. At the hearing the vote is of the property owners as opposed to the registered voters who may be renters.

Should the action pass the hearing, the city council can then call an election of all registered voters in the area. If the election shows voters favor annexation, the council can then pass an ordinance annexing the area. The only step then left is for the city to send a certificate to the Secretary of State for California and the area is officially annexed.

All of these actions have already been taken concerning the proposed Friendly Acres annexation. In 1939 an election was held, results from which favored the annexation. Subsequently, however, council withheld forwarding the certificate when a petition opposing annexation was presented late. Still later action was postponed when war conditions prevented council from being able to furnish normal city services to the area.

The issue was revived at last Monday's council session when a petition, signed by 263 residents, was presented, requesting annexation.

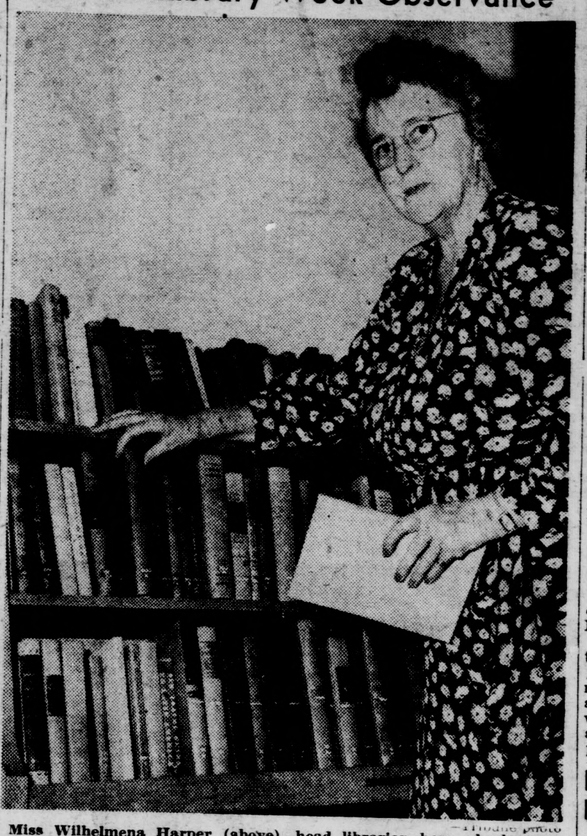
At that time council requested City Atty. Cuthbert Currie to explore the legal aspects to determine whether annexation could be accomplished on the basis of the 1939 election. It also requested City Mgr. E. W. Blom to learn whether the city was in a position to furnish normal city services.

Currie today told Mayor W. W. Hilton that a preliminary investigation indicated that annexation could be accomplished without any action other than the council's forwarding the certificate to Sacramento.

Blom said that he was still awaiting a report from Fire Chief Joseph Lodi, who is at present at a fire chiefs' convention. Blom said that possibly the annexation might necessitate an auxiliary fire station. The far corner of the area, he explained, is roughly three miles from the central fire station.

Concerning water, Blom said that he is surveying existing facilities and figuring how much it would cost to bring the existing system to city standards and how much it would cost to hook it onto city mains.

Set for Library Week Observance



Miss Wilhelmena Harper (above), head librarian here, checks over the recent additions to the stacks as part of National Library Week which is being observed this week.

If we don't make the Democratic Party into a party of peace and prosperity, we shall build a new party.—Henry A. Wallace.

What I want to know is what are we waiting for? Why are we giving the Russians still more time? — Rep. P. W. Shafer (R) of Michigan.

Even County Press Will Now Breathe

The courthouse press corps is going to get the air — or at least enough to breathe — if the San Mateo County Board of Supervisors fulfills the promise it made Tuesday.

Reporters were promised a press room in the annex which is to be built on California Square, to replace the 10 by 10-foot broom closet which at present serves as office for the seven reporters who cover county business.

The promise was made by the board after Winfield Scott, old-time newspaperman and secretary of the San Mateo County Civic League, went to bat for the press corps.

"The press room is utterly inadequate and picayune," Scott told the board.

The courthouse press corps is composed of Francis Raymond, San Francisco Examiner; Stuart Welch, San Francisco Call-Bulletin; Don Allan, San Francisco News; Al Bodi, Redwood City Tribune; Mrs. Mary Crawford, Burlingame Advance-Star, and Geoffrey Currall, San Mateo Times.

Smoking in Bed Blamed for Fire

County firemen Wednesday blamed smoking in bed for a fire which started in one of the cabins at the Redwood Motor Court, Annette St. and Bayshore Hwy., Friendly Acres, about 8 o'clock this morning.

Asst. Fire Warden Ernest Werder said that E. B. Hamilton, San Francisco, was carried to safety by a Pacific Gas & Electric Co. meter reader, Robert Woods, from the smoke-filled room.

Werder said that by the time the firemen arrived, the bed clothes, mattress, curtains and shades were burning and that the floor of the room had been scorched.

Hamilton apparently awoke this morning, lit a cigaret and fell asleep while smoking it, according to Werder.

To Outline Plans For HMB Breakwater

A report on plans for the construction of the Half Moon Bay breakwater will be given to civic groups at a dinner on Oct. 7, George Dunn, Half Moon Bay publisher, said Wednesday.

Dunn invited the San Mateo County Board of Supervisors to attend the dinner and hear the report which Congressman Jack Z. Anderson is to make.

The dinner is to be at the Miramar Hotel, and is sponsored by the Half Moon Bay Lions Club, Chamber of Commerce and the Pillar Point Improvement Assn.

There Was Smoke . . . That's for Sure

Well, there wasn't much fire, but there was plenty of smoke.

At 9:38 p.m. the Redwood City Fire Dept. was called to handle a smoke investigation at the Smoke Shop Arguello St. at Broadway. Sure enough a juke box was smoking. Although firemen found no tune playing at the time, there was a record on the machine called "Smoke, Smoke, Smoke."

Firemen merely pulled an electric cord plug, disconnecting the power and putting out the smoke.

They also put out a brush and grass fire at 6:55 p.m. in a creek along the Edgewood Rd. 1100 block.

Fickeisen Review Goes Before Court Here on October 14

The suit of John Fickeisen, who, seeking to be reinstated in his job as chief county sanitarian, will be heard Oct. 14 by Superior Judge Andrew R. Schottky of Mariposa County.

The date was set yesterday after a conference between Carl W. Anderson, representing Fickeisen, and Dep. Dist. Atty. Fred Wyckoff, acting for the county officials named in the suit.

Meanwhile, County Executive Frederick Peterson still has not been served with papers of Fickeisen's suit, according to Gerard Wagstaffe, Peterson's attorney.

Peterson was available all last week, Wagstaffe said, but now is in Los Angeles to confer with American Legion officials about pushing through the next session of the state legislature the establishment of Butano Forest as a veterans' memorial. He is expected back Thursday.

Anderson said that he did not think it would be necessary to serve the papers on Peterson, since the authority to reinstate Fickeisen is vested in Dr. Charles C. Gans, the health director, the civil service commission, and the board of supervisors.

Alvin S. Hatch, chairman of the board of supervisors, and Albert H. Randall, chairman of the civil service commission, have been served, but no service yet has been made on Russell J. Cooney, secretary of the commission, who also is named defendant in Fickeisen's suit.

Fickeisen was fired by Dr. Gans on direct orders from Peterson after the latter accused the chief sanitarian of taking to his home scrap materials from Canyon Sanatorium.

Sequoia Youth Steals 4 Autos

His parents' refusal to let him use the family car was given yesterday by a 17-year-old Sequoia High School student as the reason for stealing four automobiles, Police Chief C. L. (Mickey) Collins said Tuesday.

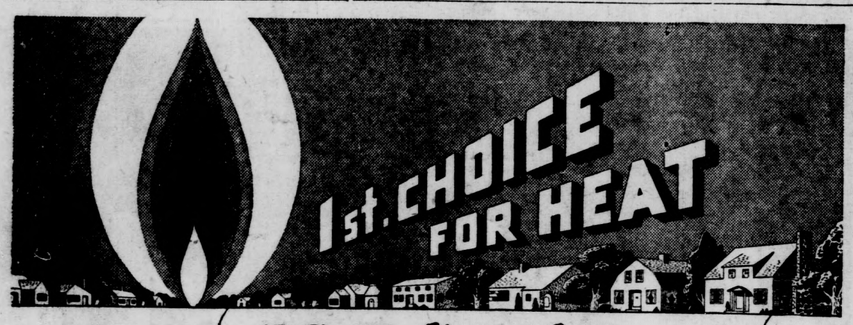
The chief said that yesterday he took a Pontiac sedan from the Broadway 2600 block.

When the owner, Mrs. Charles A. Gennen of 421 Jeter St., notified police they broadcast an alarm. Shortly afterwards Officer Eddie Maillard in San Carlos spotted the car traveling towards Bayshore Hwy.

After the arrest the youth was taken to the San Mateo County juvenile detention home. He admitted, Collins said, to taking four automobiles for joy rides. After he was finished with the cars he had abandoned them and subsequently police had recovered them.

Blame RC Contractor For Belmont Blaze

A Redwood City contractor was to be cited Tuesday afternoon for violating Belmont's fire ordinances, Fire Chief Elbert Miller announced. Miller said that illegal burning on the part of the contractor resulted in a brush fire at 11 a.m. Tuesday which threatened 10 houses and covered the city with smoke.



Forced Air Furnaces keep filtered-heat circulating throughout the house to maintain even room temperature.

Gas Circulating Heaters are smartly styled to ornament a house and designed to provide quick heat at low cost.

Floor Furnaces fit into the floor and do a thoroughly fine job of heating small houses.

There are types, sizes and models of Gas Heating Equipment designed to fit every house heating problem. ★ ★ ★ For our California climate, requiring a little heat mornings and evenings and a lot of heat in a hurry during winter, modern Gas Heating is the popular choice.

New ways the telephone can reach remote areas

Radio telephone allows your voice to "ride the beam" into Death Valley, across the channel to Catalina Island . . . to Mount Hood . . . between Marysville and Redding. With transmitters like this one we can span sea or desert by radio and your voice sounds exactly as though it were coming over a telephone wire.

Power-line carrier is another new device which makes telephone communications possible in remote, sparsely settled districts. Your voice "hitch-hikes" along existing power lines on radio waves that are tuned to follow the wires. Several power-line systems are now used on the Pacific Coast . . . and they're as safe and effective to use as any.

These developments are dramatic . . . but most of our expansion program must be pushed with "everyday" things like this post-hole digger . . . wires and cables and switchboards. Our construction program of $200,000,000 this year brings us closer to our goal: the finest telephone service for the West.

New Working Dollars . . . Millions of new dollars needed to build buildings and buy new equipment to meet the public demand for more telephones and more service do not come from telephone bills. New dollars come from people who are willing to put their savings into the business. We must earn enough to attract these new working dollars.

Entered in the Post Office at Redwood City as Second Class Matter under the Act of March 3, 1879.

News of Commuters

BY LOCOMOTIVE BILL

The news that City Manager Blom had resigned came as no surprise to his many commuter friends who had known for some time how unhappy he was in his present position.

Ed Blom, who is a high class gentleman and a fine executive found shortly after assuming the position of city manager that our present city council majority were not looking for a manager but an office worker who was expected to take orders and tolerate interference in contravention of our city charter and the will of the people. But why go on, conditions are no different now than when former City Manager Mead was forced to resign less than two years ago.

We feel sorry for any man brave enough to accept an appointment as city manager of Redwood City unless as has been reported there has been a change in the attitude of the council majority. Certainly the record of two appointments and two resignations of men to the most important post in our city government in less than four years is a sorry one and has unquestionably impaired the progress of our city. As for Ed Blom, Commuters wish him every success in his new position as city manager of Santa Rosa.

★ ★ ★

The Pacific Telephone & Telegraph Co. is to be congratulated on its completion of dial service in this area, the final phase of which went into operation on Sunday morning.

On the constructive side and as a further improvement we offer a suggestion that the company go back to the former method of billing on long distance calls. Many people are complaining that billing these calls by station only and not by number is a nuisance and unfair to the customer. When mistakes are made they are difficult to detect, according to the complainants. The present system, in their opinion, is a system designed for the benefit of the telephone company and not the public.

The Board of Trustees of Sequoia High School Dist. turned down the request of the Redwood City Commuters Club to open the school tennis courts to the public, giving the usual reason that serious damage might be done to the courts unless a supervisor, which neither they nor the city can afford, was present. Of course they said any citizen could get a key on application providing he would assume responsibility for any damage.

Open tennis courts with Loco are just like Ray Spangler's 5c coffee, it's a phobia or something — we'll never give up until they are opened to public use. Tennis courts in other high schools in cities throughout the state are left open at all times for the use of the citizens without supervisors and we have yet to hear of any real damage being done to the courts. We invite the school trustees to examine the city tennis courts at Mezes Park where they have been open for several years without any damage other than normal wear.

The school trustees have never thought much of our damage argument and we understand are now making plans to place barbed wire on the fences sourrounding the courts so that when some nimble gent tries to climb them as at present, he will be stopped by the wire. How do you like that — we taxpayers pay for the wire to prevent us from using our own recreation facilities.

Another letter from the Commuters Club to the Elementary School Board brought forth an entirely different response. The club asked for the improvement of the McKinley School courts but the board explained that this was impossible since the ground where the courts are now located was to be used for an addition to the school.

They stated that plans were being made to build new courts elsewhere on the grounds. For this note of progress Loco extends orchids.

The Commuters Club softball team has issued a challenge to its arch enemies, the Kiwanians, for a game to be played late this month.

San Carlos Post Office Site Chosen

An announcement that the Post Office Dept. has selected a lot on San Carlos Ave., between Walnut and Elm Sts., for the site of a proposed new post office for San Carlos, was made Wednesday by William Klose, president of the San Carlos Chamber of Commerce.

Klose said that he had been informed of the selection by United States Senator Sheridan Downey following many months of surveying on the part of the Post Office Dept.

The Chamber of Commerce has been attempting to get a new post office for the city for about a year and a half, Klose said, but did not select any site. The chamber will back the Post Office's selection, Klose said.

Three different sites were submitted to the Post Office Dept. for selection, according to Klose, and the one chosen is not in business property. The Chamber of Commerce president said that rezoning of the property will be taken up before the San Carlos Planning Commission in the near future.

Klose said he believed the Post Office Dept. had prepared specifications for the proposed post office and said he hoped that work on the building could be begun soon. He said he understood that the post office would get a 10 year lease on the property selected.

Klose said he had written a letter to Senator Downey informing him that the Chamber of Commerce would support the choice 100 per cent.

Junior Matrons To Hear Hurtado Friday Night

The San Carlos Junior Matrons will be in store for a special musical treat tonight at 8:30 o'clock, when Celso Hurtado, claimed the world's greatest virtuoso of the marimba, will appear in concert as their guest at the auditorium.

Husbands of members also have been invited, announced Mrs. William Cooley, president, and additional guests are welcome for a nominal fee. The concert will take the place of the regular September luncheon meeting.

Celso Hurtado made his debut in Carnegie Hall in New York City. He has played in practically every large city in the country and has been guest artist on many radio programs.

For two centuries the Hurtado family have been marimba artists. The original marimba had a single keyboard and Sebastian Hurtado, father of Celso, perfected the instrument by adding the double keyboard. Celso Hurtado, who resides on Whipple Ave. in Redwood City, added a pedal which has increased the sweetness, volume and capabilities of his marimba, which is the only one of its kind in the world.

Assisting artist and accompanist will be Graham Stewart, youthful pianist.

Refreshments will be served by a committee headed by Mrs. George Greenleaf.

Mrs. C. R. Nelson is chairman of the affair.

Safety Rules Listed by Potter

Capt. George Potter of the Menlo Park Police Dept. has announced three new safety measures for school children at the Central School .

1. All pupils living across the railroad tracks will cross only at Glenwood Ave. All other crossings — Oak Grove and Ravenswood Aves. — have been closed to school pedestrian traffic.

2. Parents picking up children must call at the Glenwood Ave. entrance to the school yard and not at the El Camino Real gate.

3. The student traffic patrol on El Camino Real has been increased from two to four boys. Children will be sent across the highway in groups, and stragglers will not be allowed.

30 Counties Boost Tax Rate

San Mateo County is one of 30 California counties which set a higher tax rate for general county purposes for 1947-48 than for 1946-47, California Taxpayers' Assn. said today.

The county's $2.0098 rate for general county purposes is 24.56 cents higher than the $1.7642 rate per $100 of valuation of taxable property in the county for last year. Prewar rate for 1941-42 was $1.2335. War and postwar low rate was $1.0554 in 1943.

Biggest increase in county rate for general purposes was in Siskiyou County, where the rate went to $2.781 per $100 for 1947-48 from the $1.708 rate for 1946-47. Other counties wehe the county general purposes tax rate went up include Alameda, Alpine, Amador, Butte, Calaveras, Colusa, Contra Costa, Del Norte, El Dorado, Humboldt, Imperial, Inyo, Lassen, Mariposa, Merced, Modoc, Nevada, Placer, Sacramento, San Benito, San Francisco City, County and schools, San Luis Obispo, Santa Barbara, Santa Cruz, Sierra, Tehama, Trinity and Yolo.

Rates in five counties showed no change for 1947-48 from 1946-47. These were Fresno, Monterey, San Diego, Solano and Ventura.

Rates in 23 counties went down. Biggest decrease was in Yuba County, where the rate was reduced to $2.254 for 1947-48, compared with $3.389 for 1946-47. Other counties with tax rate reductions were Glenn, Kern, Kings, Lake, Los Angeles, Madera, Marin, Mendocino, Mono, Napa, Orange, Plumas, Riverside, San Bernardino, San Joaquin, Santa Clara, Shasta, Sonoma, Stanislaus, Sutter, Tulare and Tuolumne.

Whist Party Planned

Members of the Queen Esther Shrine, White Shrine of Jerusalem will hold a whist party on Tuesday, Sept. 30, at 8 p.m. in the Masonic Hall. Prizes will be awarded for each table and refreshments will be served. The public is invited to attend.

Break Ground for Methodist Parsonage

Construction has started on a parsonage for the First Methodist Church on Grand St. near Whipple Ave. The building will be stucco and rustic of country house style, one-story, with three bedrooms, 1½ baths and a two-car garage, with front and rear lawns and a patio in the rear. Taking part in groundbreaking ceremonies are Donald L. Bogie, chairman of the board of trustees and the building committee, who said it was hoped the building would be completed by the first of next year; Mrs. Ronald White, the Rev. Ronald White, pastor of the church; Irving Kesterson, Earl Whitaker, Ernest Baker, of the firm in charge of the construction, and Mrs. Virgil Reed.

RC Library Lists Books For Opening of Fall Season

(Editor's Note: This is the second in a series prepared by the Redwood City Library in connection with the observance of National Library Week. Today's article presents "Notes for the Bookworm.")

Heralding the Fall season are many books by noted American writers. The Redwood City Public Library offers there books of timely interest and historical importance.

My Father's House by Meyer Levin. Viking, 1947.

A poignant novel about David, a displaced person from Poland in search of his family, his home and himself. His search leads him to Palestine where he learns of his family's end. The lyrical movement throughout the book emphasizes the struggles and the sensitivities of David, the symbol of all DP's who are groping and reaching out for light, revelation and a peace of mind. A "must" on any reading list.

House Divided by Ben Ames Williams. Houghton, Mifflin, 1947.

Mr. Williams, author of **Leave Her to Heaven** comes forth with a long, intriguing novel of the Civil War era. Lacks the passion of **Gone With The Wind** yet contains contains the verve and vigor, the toughness and tirelessness of the struggles of the Confederacy. Everyone will want to investigate this book.

The Other Room by Worth Tuttle Hedden. Crown, 1947.

This southern writer might well be telling her own story. A teacher in the early twenties finds herself unknowingly the member of the faculty in a Negro school in New Orleans. Her background of southern mores serves as a springboard for the immediate shock and spontaneous reaction. This background, which includes her father, a man representing the transitional south, helps, her face herself and her work. The reeducation which follows is expressed frankly and at times almost savagely. Her love for one of the Negro teachers is simply yet dramatically portrayed. Although the novel at times touches upon melodrama, it is a just picture of a situation realistically met. Timely and much worth your reading.

McCarthy Tells City's History

Paul A. McCarthy, former city attorney at Redwood City, Monday night told members of the Baptist Brotherhood at the First Baptist Church the history of Redwood City.

A committee was named to investigate the need for religious services at the juvenile home here. On the committee are Chet E. Wilson, president of the brotherhood, and T. Wayne MacAdam. Men of the church now hold religious services at the county jail here each Sunday morning.

Kenneth Smith resigned as scoutmaster of the scout troop sponsored by the Brotherhood. Al Fishburn will act as scoutmaster of the troop.

A report of the Scout troop was given by Louis W. Allen and the cub pack sponsored by the Brotherhood by Glen McIntosh.

Wilson, assistant Scout executive for the county council, reported that a Cavalcade of Scouting will be held at Belmont Stadium Oct. 11.

San Carlos AWVS Hears Countess Speak

Members of the San Carlos chapter of the American Women's Voluntary Services were among those present Monday night at the San Mateo American Legion Hall when the noted speaker Countess Anna Leah Lelli addressed an audience which filled the hall, on world peace. The Italian speaker, who recently arrived from Europe, is sponsored by the San Mateo County unit AWVS to raise funds for veterans' rehabilitation service.

The San Carlos chapter met recently for its monthly meeting at the home of the chairman Mrs. Edwin Lobazin on Laurel St. Mrs. Lobazin reported at this time that the members took flowers left over from the San Mateo County Fiesta displays to the Veterans Hospital in Palo Alto and in this way were able to beautifully decorate the auditorium for a dance and party which was taking place that evening.

The San Carlos group decorate weekly in the wards at the hospital and at the AWVS canteen the "Haven."

At the recent meeting at Mrs. Lobazin's the members folded Tuberculosis Christmas seals. They will later help in the "stuffing" of these letters for distribution.

The members agreed to devote the month of December in assisting the Veteran's Hospital Christmas Committee with its Christmas festivities at the hospital. They will help with Christmas wrapping the making of wreaths and decorations. During the fiesta they helped staff the booth of this committee.

Mrs. E. J. Crowley of the Palomar Park, Redwood City group of AWVS, was present and showed some of the work of her group which included baby booties to be sent overseas. She said she had recently attended a meeting at Half Moon Bay where a chapter has been organized.

Members were asked to keep in mind the office of the San Mateo County units AWVS which is open daily now in San Mateo at the American Legion Hall, Civic Center from 10 a.m. to 4 p.m.

Births

To Mr. and Mrs. Philip A. Dimaria, 4 Elizabeth Ln., Menlo Park, a daughter was born on Sept. 23 in the Palo Alto Hospital.

To Mr. and Mrs. Howard G. Jenkins, Bayshore Trailer Grove, San Carlos, a son was born on Sept. 23 in the Palo Alto Hospital.

To Mr. and Mrs. Arnold Jarvie, 128 Westgate, a daughter was born on Sept. 23 in the Palo Alto Hospital.

To Mr. and Mrs. John Willis, 150 Birch St., a daughter was born on Sept. 23 in Mills Memorial Hospital.

To Mr. and Mrs. William Stein, 1907 Carmelita Ave., San Carlos, a son was born on Sept. 23 in Mills Memorial Hospital.

Frank Griffin Speaks to BPWC

Frank Griffin, head of the Sequoia Boys' Physical Education Department and world traveler, spoke to the members of the Business and Professional Women's Club at their regular dinner meeting last night in the First Congregational Church. Mrs. Ruth Barrett, president, presided.

Fifty-four members and their guests were present to hear Mr. Griffin speak on his recent trip to Europe and to show movies and slides taken on the tour.

The theme of International Relations was carried out in decorations, which were flags of all nations used as table decorations, place cards, and a backdrop for the officers' table.

Miss Jean Taylor and seven of her "San Carlos Peasant Dancers" presented seven European folk dances. Community singing was led by Mrs. Margaret Garl accompanied by Madelon Blake.

Mrs. Florence Magruder was chairman of the evening assisted by Anna Bennett Robb, Madelon Blake, Grace Baird and Boyden Jones.

Mrs. Barrett announced that the next business meeting would take place on Oct. 8 at her home, 230 Lincoln Ave., Redwood City.

Urge Support For Junior Patrol

With the opening of schools, Police Officer Henry Mengel yesterday pleaded that Redwood City motorists pay particular attention to Junior Traffic Patrol members.

He said that a patrol of 120 youngsters is stationed at corners to control traffic during crossing hours and asked that motorists give them every assistance.

BOY SCOUT NEWS

Member of Redwood City Community Chest

A review of the Scout, Cub and Senior Scout programs in action, plus tableaux portrayals of the history of scouting in San Mateo County, will mark the kick-off event of the fall scout season, when troops, packs and senior units will combine to present the annual "Cavalcade of Scouting" on Saturday, Oct. 11, at 7:30 p.m. in the Belmont Stadium, scout headquarters announced Tuesday.

Demonstrations of scout studies, crafts and fun, presented by troops and senior outfits, will headline the program, which will be open to the general public without charge.

The county's scouting history will be outlined in a series of tableaux depicting local growth of the movement from the original 30 boys and leaders to the present enrollment of more than 3500 scouts and adult scouters.

Cub packs of the county will don Indian garb and participate in a colorful pow-wow replete with peacepipes, tom-toms, wampum, teepees and other items of Indian handicraft, all fashioned by the cubs. Main feature of the cub presentation will be a huge war dance directed by pack leaders from all over the county.

Among scout demonstrations thus far announced is the flying model airplane contest scheduled by Air Squadron 1 of Burlingame. The air scouts will also exhibit their scale model of the San Francisco airport as it will look when completed.

A grand march of all troops, packs and senior units participating will precede the program. Each outfit will march onto the stadium field, carrying its flags, which will be presented in a mass ceremony before the officials' box.

★ ★ ★

Music for the Community Chest's pre-drive rally, slated for Monday at 8 p.m. at the Burlingame High School auditorium, will be provided by the Boy Scout band, directed by Eugene O. Brose, scout headquarters announced Tuesday.

Members of Troop 16, Burlingame, led by Scoutmaster Paul C. Wessel, will serve as ushers and a color guard for the event, which will be highlighted by the presence of civic leaders as guest speakers, an on-the-spot radio show and a "surprise" celebrity, according to Hugh Wayne, chairman of the Community Chest public relations committee.

Wayne emphasized the public is invited to the rally, and scout headquarters further issued a special invitation this week to all parents and friends of scouts.

★ ★ ★

The resignation of Don L. Barley, assistant scout executive, from the staff of the County Boy Scout Council, was announced Tuesday by Scout Executive E. A. Barrer, who termed Barley's departure "a great loss to scouting in San Mateo County," and highly praised the retiring leader for "his outstanding service and record of achievement" during his two years with the local council.

Barley will leave for Southern California Oct. 1 to enter private business with his father, Ellwood Barley, after more than 14 years as a professional scouter.

"Mr. Barley's leaving is a great loss to scouting in the county," Barrer declared. "He is to be congratulated for his outstanding service and record of achievement in this council, where he has worked successfully to maintain high standards for scouting. He will indeed be sorely missed," Barrer said.

Name of Barley's successor to the assistant executive's post will be announced at a later date, Barrer said, when negotiations now in progress with New York national scout headquarters are completed.

Moulton Faces Loss of License

Graham (The Eye) Moulton, San Jose private detective charged with assault with a deadly weapon, to wit, an automobile, may lose his detective's license if he is convicted of the charge by Redwood City Police Judge W. H. (Bud) Thorpe Oct. 2.

Dir. James A. Arnerich of the state department of detective licensing has dispatched an investigator to Redwood City.

"We are watching the outcome of the case," Arnerich explained. He said a conviction would be grounds for suspending or revoking a detective's license, but "we cannot suspend a license simply because he is accused of something."

Moulton was booked and fingerprinted, under protest, Sept. 15, at the Redwood City police station after he allegedly used his car as a "deadly weapon" to stop another car and serve a subpena on Mrs. Patricia McKeon Sailor, involved in divorce litigation. She is the wife of Charles Sailor, Menlo Park "gentleman farmer."

Moulton's hearing was to have been held last Friday, but he was granted a two-weeks' continuance.

RC Mechanic Takes Own Life

Clifford E. Tedman, mechanic who formerly lived on Eighth Ave. in North Fair Oaks, committed suicide on Sept. 14 in Reno, friends here learned Wednesday.

Mr. Tedman had been foreman of the garage at Cuddy Motor Co. and had leased the garage at Buckley Bros. here. He also had operated a service station on Bayshore Hwy. in East Palo Alto.

Mr. Tedman, who left here about three months ago, killed himself by piping exhaust gas into an automobile he was repairing at a Reno garage, according to Coroner Harry Dunseath.

The coroner explained that Mr. Tedman welded pipe to the machine's muffler and directed it into the interior of the car while the garage was closed for the night.

He had a wife and grown children.

Rape Charges Dropped in SM

Rape charges against Harvey Langrum, 20, 106 S. Idaho St., San Mateo, were dismissed in Hillsborough City Court late Tuesday on motion of the district attorney's office.

Judge J. E. Trabucco dismissed the case after the prosecutor declared there was insufficient evidence against the accused.

Langrum had been charged with raping Mrs. Helen Payne, San Mateo mother of two children, Sept. 17. Chief Walter Wisnom said contradicting stories were told of a night drive on Crystal Springs Rd., when the incident occurred.

20-30 Club Planning Employers' Night

The 20-30 Service Club is planning its second annual employers' night, Oct. 3, it was announced Tuesday.

Colored movies of last year's Army-Navy game and the Navy-Notre Dame game will be shown. Fritz Kuffer and Jack Thomas are in charge of the program, to be held at the Sport Club.

McGrath Gets OK To Leave State

Routine business transacted by the San Mateo County Board of Supervisors Tuesday included.

A $400 membership fee in the California Shoreline Planning Assn. was voted, after the board had postponed the issue for two weeks after questioning the expediency of belonging to the group. The county recently appealed to the association for aid in combatting the issuance of permits by the state for sand removal from the beaches.

Sheriff James J. McGrath was given permission to leave the state. The sheriff, it was learned, plans to attend the world series baseball games.

The board approved the request of County Recorder T. Clark Rice for the establishment of a position of confidential assistant, non-civil service, with a starting salary range of $300 a month.

Final approval was given to the allocation of the former tax redemption room as part of the district attorney's office, and to partition off part of the supervisors chambers for the office of the civil service commission.

The setting of fees for permits under the new business licensing ordinance was postponed until all the members of the board were present.

PUBLIC NOTICE

Walter J. Walsh, Atty.
NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE
No. 43919

IN THE SUPERIOR COURT OF the State of California, in and for the City and County of San Francisco.

In the Matter of the Estate of Lloyd J. Scanlon, also known as Jerry Scanlon, Deceased.

Notice is hereby given that the undersigned, Martha Josephine Scanlon, executrix of the estate of said Lloyd J. Scanlon, also known as Jerry Scanlon, deceased, will sell at private sale, the parcels or lots of land hereinafter described, to the highest and best bidder:

PARCEL 1. All that real property, situate, lying and being in the County of San Mateo, State of California, more particularly described as follows:

The northeasterly 50 feet, front and rear measurements of Lot 12 in Block 13, as designated on the map entitled "Palo Alto Park, San Mateo Co., Calif.," which map was filed in the office of the County Recorder of the County of San Mateo, State of California, on January 19, 1925, in Book 11 of Maps, at page 74.

PARCEL 2. All that real property situate, lying and being in the City and County of San Francisco, State of California, more particularly described as follows:

Beginning at a point on the northerly line of Hill St., distant thereon 105 feet easterly from the point formed by the intersection of the northerly line of Hill St. with the easterly line of Noe St., and running thence easterly along said line of Hill St. 50 feet; thence at right angle northerly, 114 feet; thence at right angle 50 feet; thence at a right angle southerly 114 feet to the point of beginning. Being part of Mission Block 109, Buena Vista Homestead Association as per map thereof filed August 4, 1869, in the office of the Recorder of the City and County of San Francisco, State of California. Vol. 1669, page 298.

Parcel 1 is unimproved.

Parcel 2 is unimproved, and portion thereof has been condemned by State Highway Commission.

Said sale will be made on and after the 7th day of October, 1947.

Terms of Sale: Ten per cent (10%) of the purchase price shall be paid and accompany the bid for the parcels of said real property. The balance of the purchase price to be paid in lawful money of the United States upon confirmation of sale by the above entitled Court Deed, certificate of title or title insurance to be at the expense of the purchaser. Taxes and insurance to be prorated as of the date of delivery of deed.

All bids or offers must be in writing and will be received at the office of the executrix, namely, at Room 838 Monadnock Building, in the City and County of San Francisco, State of California, at any time after first publication of this notice and before the making of any sale. The executrix reserves the right to reject any and all bids.

Dated this 5th day of September, 1947.

Martha Josephine Scanlon, Executrix of the estate of Lloyd J. Scanlon, also known as Jerry Scanlon.

(Endorsed) Filed Sept. 5, 1947. Robert Hannegan, Clerk, by C. J. Rommel, Deputy Clerk.

Walter J. Walsh, Attorney for Executrix, 838 Monadnock Bldg., San Francisco, Calif.

Published in Times-Gazette Sept. 19, 26; Oct. 3, 1947.

PUBLIC NOTICE

CITATION—No. 43919
IN THE SUPERIOR COURT OF the State of California, in and for the County of San Mateo.

In the Matter of the Adoption of Emett Grayson Ramsey and Marlene Faye Ramsey, Minors.

The People of the State of California:

To Hubert R. Ramsey, greeting:

By order of this court, you are hereby cited and required to appear before this Court, at the Court Room, Department No. 2 thereof, at Redwood City in the County of San Mateo, on Monday, the 1st day of December, 1947, at 10 o'clock in the forenoon of that day, then and there to show cause, if any you have, why adoption of Emett Grayson Ramsey and Marlene Faye Ramsey shall not be granted to Charles D. Belknap.

Witness, the Hon. Edmund Scott, Judge of our Superior Court, in and for the County of San Mateo, with the Seal of said Court, affixed, this 26th day of August, 1947.

Attest:
W. H. Augustus, Clerk; by Frances Cann, Deputy Clerk.
(SEAL)
